

( )

If you are a first-year student and was awarded a work-study financial aid award, you have a couple options for securing on-campus employment:

- 1) You may apply directly to any open position posted on the [Human Resources Student Employment webpage](#). These positions are open to students on campus.

Additionally, you are eligible to apply for through the Hameetman Career Center's ( )

To be eligible for STEP on-campus jobs, you must complete mandatory workshops:

- Resume Writing Workshop
- Interview Preparation Workshop

You can register for these workshops on the [Handshake events page](#). If you have not activated your
